

2023 ELECTRIC VEHICLE LEVEL 2 CHARGER INCENTIVE

for Pioneer Electric Members

ARE YOU INSTALLING A LEVEL 2 CHARGER FOR YOUR ELECTRIC VEHICLE?

To get started, complete the incentive application under Rebates and Incentives on our website www.PioneerEC.com or call our office. Make a copy of your purchase receipt or invoice and set up an appointment for inspection by our Energy Advisor.

For more information about rebates, incentives, rate discount, or to set up an inspection of installed equipment contact Ted Riethman at 800.762.0997 or EnergyAdvisor@PioneerEC.com.

Pioneer Electric Cooperative is offering a bill credit to cooperative members who install a new electric vehicle – level 2 charger in a home, office, or other building. This incentive is available only to members. Members must install the equipment in compliance with requirements between January 1, 2023 and December 31, 2023.

Specific Requirements: The equipment must be certified by Underwriters Laboratories, Inc. (U.L. Listed); and Edison Testing Laboratories (ETL) Listed.

The equipment installed must be new and unused, shall be in accordance with manufacturer's specifications and recommendations and shall meet applicable federal, state or local agency standards.

All incentives are issued in the form of a credit to the member's electric account. A maximum of two charging port rebates may be paid per residential member home. A maximum of six charging port rebates may be paid per non-residential commercial building/facility.

Your Level 2 charger must be wall or pedestal-mounted, and it must be installed at your service address.

EV chargers that are portable, resold, rebuilt, or received from warranty insurance claims are not eligible for incentives under this program.

\$250 ELECTRIC VEHICLE LEVEL 2 CHARGER INCENTIVE

Offer is good through December 31, 2023. Find additional rebates and incentives available through Pioneer on our website at www.PioneerEC.com/rebates-incentives.
