

2023 ELECTRIC WATER HEATER INCENTIVE

for Pioneer Electric Members

ARE YOU IN THE MARKET FOR A NEW ELECTRIC WATER HEATER?

To get started complete the Electric Water Heater incentive application located under rebates and incentives on our website, www.PioneerEC.com, or call our office.

For more information about rebates, incentives, rate discount, or to set up an inspection of installed equipment contact Ted Riethman at 800.762.0997 or EnergyAdvisor@PioneerEC.com.

Pioneer Electric is offering a bill credit to cooperative members who purchase and install a new electric water heater in their home in 2023. This incentive is only available to residential members. **Solar and on-demand water heaters are not eligible.**

Requirements:

The water heater must be a new electric storage tank unit that is 92 percent efficient or greater (≥ 0.92 EF). *Preferred but not required:* 4,500 watt elements.

Qualifications*:

- Member must provide a copy of your purchase receipt
- Members must participate in our water heater load management program and are subject to a five (5) year commitment.
- The water heater must comply with all applicable local and Ohio plumbing and electrical code requirements.

ELECTRIC WATER HEATERS:

To earn a \$150 bill credit members must install a new 50-gallon or larger electric water heater.

Additional Qualifications*:

Equipment must be purchased and installed by December 31, 2023.

HEAT PUMP WATER HEATERS:

To earn a \$400 bill credit members must install a new 55-gallon or less heat pump water heater.

Additional Qualifications*:

- Equipment must operate in heat pump or hybrid mode only.
- Equipment must be purchased and installed by December 31, 2023.

Find additional rebates and incentives available through Pioneer on our website at www.PioneerEC.com/rebates-incentives. All rebates are issued in the form of a credit to the member's electric account. Maximum two rebates per member-consumer.

Offer is good through December 31, 2023. This incentive applies to any Pioneer member who signs a contract and has a qualified system quoted and installed during the designated time frame.
