

# Custom Lighting Rebate Program

UP TO  
**\$25,000**  
REBATE  
FOR  
MEMBER BUSINESSES

Pioneer Electric's Custom Lighting Rebate Program helps install or replace inefficient internal and external lighting at member business facilities.

The program provides a rebate based upon the number of lamp watts reduced when installing LED bulbs for new construction or replacing old lighting with new, energy-efficient lighting and members are eligible for the rebate when specifications are met.

**SPECIFIC REQUIREMENTS:**

This program is applicable to commercial and industrial businesses, schools, and agricultural facilities only. Residential members are not eligible.

To qualify, lighting at the facility must be used a minimum of 1,800 hours per year. All projects must be a retrofit interior or exterior lighting installation. All equipment must be new; used or rebuilt equipment is not eligible.

An on-site visit is required to confirm installation of the project. Projects must be installed and completed between January 1, 2023 and December 31, 2023.

\*Pioneer's rebate on C&I lighting is limited. The offer expires when funds are depleted on a first-come, first-served basis, or when the program is discontinued.

*Rebate offered in partnership with*
