

2024 ELECTRIC WATER HEATER INCENTIVE

for Pioneer Electric Members

ARE YOU IN THE MARKET FOR A NEW ELECTRIC WATER HEATER?

To get started complete the Electric Water Heater incentive application located under Member Programs > Rebates & Incentives on our website, on our website, www.PioneerEC.com, or call our office.

For more information about rebates, incentives, rate discount, or to set up an inspection of installed equipment contact Ted Riethman at 800.762.0997 or

Pioneer Electric is offering a bill credit to cooperative members who purchase and install a new electric water heater in their home in 2024. This incentive is only available to residential members. **Solar and on-demand water heaters are not eligible.**

Requirements:

The water heater must be a new electric storage tank unit that is 92 percent efficient or greater (≥ 0.92 EF). *Preferred but not required:* 4,500 watt elements.

ELECTRIC WATER HEATERS:

\$75 bill credit for members installing a new 50-gallon or larger electric water heater in a home with an existing electric water heater.

\$150 bill credit for members installing a new 50-gallon or larger electric water heater in a newly constructed home or replacing a fossil fuel water heater with an electric water heater.

Qualifications:

- Member must provide a copy of your purchase receipt
- **Member must participate in our water heater load management program and are subject to a five (5) year commitment.**
- The water heater must comply with all applicable local and Ohio plumbing and electrical code requirements.

HEAT PUMP WATER HEATERS:

\$400 bill credit for members installing a new 55-gallon or less heat pump water heater in a newly constructed home or replacing a fossil fuel water heater with a heat pump water heater.

Qualifications:

- Member must provide a copy of your purchase receipt
- The water heater must comply with all applicable local and Ohio plumbing and electrical code requirements.
- **Equipment must operate in heat pump or hybrid mode only.**

Offer is good through December 31, 2024. ALL equipment must be purchased and installed by December 31, 2024. This incentive applies to any Pioneer member who signs a contract and has a qualified system quoted and installed during the designated time frame.

All rebates are issued in the form of a credit to the member's electric account. Maximum two rebates per member-consumer.
